

Dear NHS Golden Jubilee

On behalf of the NHS Credit Union, we would like to take this opportunity to extend our gratitude for the exceptional partnership work and support that has been provided to us over 25 years. NHS Golden Jubilee commitment to collaborate in staff financial wellness, has played a pivotal role in helping us build a workforce owned financial service. Through commitment and dedication to shared values of financial empowerment, our joint success has grown membership to 24,000 and assets of £47million.

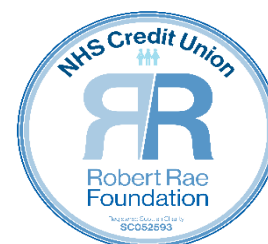

As part of our 25th birthday year and to celebrate 75 years of the NHS, we have reinvigorated our pledge to serving NHS Scotland. Launching in November 2023, the '*NHS Credit Union (Robert Rae) Charitable foundation*', named after our founding member, its mission will be to support and enhance the vital work of NHS, by donating to their charities. Keeping the community wealth generated by the NHS workforce within the NHS.

NHS Credit Union Board and staff very much appreciate the trust and commitment that has characterised our ongoing relationship with NHS Golden Jubilee Health Board, and we look forward to working with you for many years to come.

We would appreciate if our grateful Thanks to NHS Golden Jubilee Board could be recorded. In recognition of their support and dedication to workforce financial wellness and for being an integral partner in their NHS Credit Unions success.

Warm Regards

Elaine Rae
